Interior Design

The island-themed atrium and gathering space serve as the heart of the resort, fostering a sense of community with Bahamian colours and cane furniture. The Atria lounge is a vibrant and luxurious space infused with natural light, showcasing a 60-foot-tall art installation by a local artist. Located in the centre of the resort, this space offers a comfortable setting to meet with friends, grab refreshments or a snack, or just simply lounge after a day in the sun.
